## Celebrating Missions!

On Mission Celebration

#### OMC!

This fall our asso-  
ciation will  
be hosting  
an On Mission Celebration. I am  
excited to be a part of the plan-  
ning team for that event, coordi-  
nating missionaries' travel, host-  
ing, and speaking engagements.  
There will be several IMB mis-  
sionaries from foreign countries,  
as well as NAMB missionaries  
from around the US and the  
local area. I've read their pro-  
files and prayer requests and  
cannot wait to see how God will  
work through this event to kin-  
dle a passion for missions  
amongst His people here in Wis-  
consin! One of our visiting mis-  
sionaries is involved with prison  
ministry in Texas. We hope to

gather a team that will join her  
on a visit to the maximum secu-  
rity prison in Portage for a time  
of worship and sharing of testi-  
monies. It promises to be an  
amazing weekend!

#### Partnering with Ethnic Church Plants

Madison is becoming an increas-  
ingly multicultural city. Last  
week I met with several people  
that have a heart for reaching out  
to the many different people  
groups now residing in the area.  
We talked about how literacy  
missions can help edify these  
works. Pastor James Lee is  
planting an international church  
in the Madison area. Daniel A.  
and Keren L. are summer mis-  
sionaries involved with a Hispanic  
Bible study on Allied Drive in

Madison. All of them see the  
potential for ministering through  
ESL, but are in need of volun-  
teers in the Madison area to get  
involved. I'll be sharing this  
need...this opportunity...for our  
churches to experience missions  
in Madison!

#### English as a Foreign Lan- guage (EFL)

On September 25th, I'll have the  
privilege of leading my first EFL  
workshop to help prepare a  
missions team that will head to  
Guatemala in November. I con-  
tinue to work with internationals  
here in Lodi, and love it. But I  
also really enjoy the equipping  
aspect...helping to equip others  
to be involved with literacy mis-  
sions here in Wisconsin and  
around the world.

## Prayer Requests

#### Workers for the Harvest—

Please pray that God would raise  
up workers to get involved with  
ESL ministries and international  
church plants in the Madison  
area! As I share the need, pray  
that people would respond and  
there would be a church to host  
an overflowing ESL workshop in  
October as a result!

**EFL workshops**—please pray for  
the upcoming EFL workshop, and  
for the missions team headed to  
Guatemala in November.

#### On Mission Celebration

**Portage**—please pray for the On  
Mission Celebration in Portage  
this fall. Pray that this would be  
supported by all our association's  
churches and that God would

work through it to raise up peo-  
ple passionate to be on mission  
with God...here, around the  
country, and around the world!

**Family**—please pray for my family  
as we deal with some difficult  
circumstances in the months  
ahead. Pray that God would  
draw each of us nearer to Him-  
self!
